

Simply Food 2021 Limited

Health and Safety Policy

At Simply Food the health, safety and welfare of all employees and visitors is critical. The employer, management and employees work together to create a safe working environment and ensure compliance with the Health and Safety at Work Act 2015 (HSWA).

Simply Food is responsible for:

- Providing a safe and healthy working environment
- Complies with the *Health and Safety at Work Act 2015 (HSWA)*
- Providing the resources and training to ensure safe work practices, including but not limited to; use of equipment, material management and work practices
- Maintaining a health and safety incident register, ensure all incidents are investigated and corrective actions are put in place.
- Encouraging continuous improvement of health and safety practices within the business
- Communicating with employees about health and safety practices within the business
- Continuously monitoring health and safety within the business

Employees are responsible for:

- Following the company's Health and Safety Policy and procedures
- Participating in safety training
- Using equipment in a safe manner in accordance with safe with practices and training
- Reporting any workplace incidents or potential hazards to their supervisor
- Actively participating in the resolution of occupational health and safety issues
- Protecting their own health and safety and that of others by not working while under the influence of alcohol or other drugs
- Not interfering with, or removing any safety guards, safety devices or protective equipment provided by the person in control of a business or undertaking

We expect contractors and visitors to:

- Comply with safety instructions while in our workplace and ensure that their actions do not place other people at risk
